PURPOSE AND POWERS

The Audit Committee (the “Committee”) is appointed by the Board of Directors (the “Board”) of Farm Credit Financial Partners (“FPI” or “the company”) to assist the Board in fulfilling its oversight responsibilities for (1) the integrity of the company's financial statements, (2) the company's compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence, and (4) the performance of the company's internal audit function and independent auditors. The Committee has authority to conduct or authorize investigations into any matters within its scope of responsibility. It is empowered to:

1. Appoint, compensate, and oversee the work of the public accounting firm employed by the organization to conduct the annual audit. This firm will report directly to the Committee, who will inform the Board of the annual audit's results.
2. Resolve any disagreements between management and the auditor regarding financial reporting.
3. Pre-approve all auditing and permitted non-audit services performed by the company's external audit firm.
4. Retain independent counsel, accountants, or others to advise the Committee or assist in the conduct of an investigation. The Committee will inform the Board if any outside assistance is retained.
5. Seek any information it requires from employees -- all of whom are directed to cooperate with the Committee's requests – or external parties.
6. Meet with company officers, external auditors, or outside counsel, as necessary.

COMMITTEE MEMBERSHIP

The Committee will consist of at least one member from each Owner Association with one Committee member elected as Chairperson and one elected as Vice Chairperson. Elections will be by the Committee and presented to the Board as soon as practicable no later than the next regular meeting of the Board. The Board may at any time and its complete discretion, remove any member of the Committee and may fill any vacancy on the Committee. The members should collectively possess sufficient knowledge of audit, finance, industry specific knowledge, IT, law, governance, risk, and control.

MEETINGS

The Committee will meet at least quarterly, with authority to convene additional meetings, as circumstances require. All Committee members are expected to attend each meeting in person or virtually. A quorum of any Committee meeting shall be a majority of its members. All determinations of the Committee shall be made by a majority of its members. The Committee will invite members of management, auditors or others to attend meetings and provide pertinent information, as necessary. It will meet separately, as deemed necessary, with management, with internal auditors and with external auditors. It will also meet periodically in executive session. Meeting agendas will be prepared and provided in advance to members, along with appropriate briefing materials. Minutes will be prepared.
